CBC

Bench Counting Scale

Sasco is a dynamic weighing solutions focused company which procures and supports a leading range of globally sourced industrial weighing technologies. Sasco has the highest metrological ranking of any Southern and Central African company, and as a result of our experience gained through 100 years of operation, we are uniquely positioned to specify and supply optimal weighing equipment, automation and weighing information data solutions to Southern and Central Africa's leading industrial companies. Sasco reputation has been built on innovation and choice underpinned by professionalism, modernity and experience.

GENERAL

Created to accommodate most counting needs, the CBC offers features to tally a wide range of parts in industrial and manufacturing operations.

The CBC is lightweight and portable, simplifying the scale's transport between locations during inventory. Intuitive software tracks the count and automatically optimises unit weight for greater accuracy.

FEATURES

• Programmable backlight can be set to "always on," "always off" or "light only when weighing"
• Backlit LCD shows weight, unit weight and count in one convenient location
• Colour-coded keys facilitate quick recognition of the most frequently used buttons
• Level indicator and adjusting feet ensure proper balance setup for optimum weighing results
• Large, grade 304 stainless steel pan allows easy cleaning
• RS-232 interface for connection to computers and printers
• Optional USB interface simplifies data communication
• Solid ABS housing is durable for industrial uses
• Auto power-off to save energy
• Parts counting with freely selectable sample sizes
• Internal counting resolution 1:600,000 for precision results
• Memory accumulation totals results
• Preset tare function speeds the process of repetitive weighing
• Zero-tracking feature ensures display returns to zero reading
• User can program alarm to sound when preset total is reached
• Rechargeable battery included for operation almost anywhere
• Programmable auto power-off to save energy

With three easy-to-read displays, CBC speeds up counting and check counting tasks.

GENERAL SPECIFICATIONS
