

Accurately Weighing Africa

RECEIVING SCALES

Carcass Weighing Scale

Sasco is a dynamic weighing solutions focused company which procures and supports a leading range of globally sourced industrial weighing technologies. Sasco has the highest metrological ranking of any Southern and Central African company, and as a result of our experience gained through 100 years of operation, we are uniquely positioned to specify and supply optimal weighing equipment, automation and weighing information data solutions to Southern and Central Africa's leading industrial companies. Sasco reputation has been built on innovation and choice underpinned by professionalism, modernity and experience.

RECEIVING SCALES

Receiving scales can be used in abattoirs and butcheries for weighing carcasses as well as inline weighing. Stainless steel and galvanizing is used to ensure hygiene standards are met at all times.
