Bench Counting Scales

Sasco is a dynamic weighing solutions focused company which procures and supports a leading range of globally sourced industrial weighing technologies. Sasco has the highest metrological ranking of any Southern and Central African company, and as a result of our experience gained through 100 years of operation, we are uniquely positioned to specify and supply optimal weighing equipment, automation and weighing information data solutions to Southern and Central Africa's leading industrial companies. Sasco reputation has been built on innovation and choice underpinned by professionalism, modernity and experience.

GENERAL

The CBD delivers a flexible and robust solution for companies that perform both small and large counting tasks. Achieve Increased counting capability by connecting the CBD to a remote platform. Productivity is optimised with the CBD, as only one person is needed to perform large tasks. The CBD can be found in factories, fulfillment centers, warehouses, and just about anywhere small parts are manufactured or packaged.

Checking individual pieces with the CBD is speedy, as the LCD displays total weight, unit weight and count. Tasks are streamlined, as the CBD's memory stores up to 100 PLUs, along with descriptions, unit weights and tare weights.
