

Accurately Weighing Africa

WBW

Washdown Scales

Sasco is a dynamic weighing solutions focused company which procures and supports a leading range of globally sourced industrial weighing technologies. Sasco has the highest metrological ranking of any Southern and Central African company, and as a result of our experience gained through 100 years of operation, we are uniquely positioned to specify and supply optimal weighing equipment, automation and weighing information data solutions to Southern and Central Africa's leading industrial companies. Sasco reputation has been built on innovation and choice underpinned by professionalism, modernity and experience.

GENERAL

Ideal for industrial, agricultural, and food processing facilities, WBW scales feature IP66-rated washdown housing and a large stainless steel weighing pan.

Precision load technology enables improved performance and greater efficiency during weighing and counting tasks. Checkweighing is simple, as the WBW's colour indicators alert the operator if a sample is under, over or within preset limits.

Power is supplied by AC adapter or rechargeable battery, and auto power-off conserves battery life. WBW-M models are approved and suitable for use in trade.

FEATURES

- Vivid, backlit LCD easily visible in any lighting conditions
- Programmable backlight can be set to "always on" "always off" or "light only when weighing"
- Capacity tracker built into display for easily monitoring possible overloads
- Checkweighing LEDs clearly show under, over and within acceptable limits
- Adjustable levelling feet help optimise setup
- Colour-coded keys facilitate quick recognition of the most frequently used buttons
- Large, grade 304 stainless steel pan allows easy cleaning
- Lightweight design simplifies transport and portability
- Solid ABS housing is durable for industrial use
- Overload protection helps prevent damage to internal components
- Rechargeable battery included for operation almost anywhere
- Programmable auto power-off to save energy
- AC adapter included
- Audible overload alarm warns when capacity is exceeded
- External calibration allows for verification and adjustment with weights
- Simple operation allows quick startup and use with little or no training
- Zero-tracking feature ensures display returns to zero reading

The WBW is ideal for industrial, agricultural, and food processing facilities, WBW scales feature IP66-rated washdown housing and a large stainless steel weighing pan.

GENERAL SPECIFICATIONS

- Pan Size: 173x210mm
- Weighing units: g, kg
- Stabilization time: 2
- Interface: RS-232
- Power Supply: 12VDC 50/60Hz 800mA adapter Internal rechargeable battery
- Display: Backlit LCD with 20mm high digits
- Calibration: External calibration
- Construction: ABS plastic
- Operating Temperature: -10° to 40°C

METROLOGY INFO

- Capacity: 150kg
- Readability: 5g
- Repeatability: 5g
- Linearity: 10g

APPLICATIONS

- Weighing
- Checkweighing

APPROVALS

- EC type approved
- NRCS approved
- NMI trade approved

WEIGHT AND DIMENSIONS

- Net Weight: 3.3kg
- Product Dims: 231x265x153mm
