GENERAL

Sturdy and durable, BKT label printing scales are ideal for manufacturing, shipping and receiving, packing and distribution warehouses. The BKT has a built in printer that can print weight, QR codes, bar codes and labels in numerous languages. Software is included for personalized label design and formatting on computers.

BKT scales consist of a sturdy ABS plastic indicator, cast aluminium base, and easy-to-clean stainless steel platform. Operation is simple using six buttons on the indicator, and results are readily visible on the backlit LCD. The indicator can be placed on a bench or attached to the included pillar. The BKT offer three platform sizes to accommodate large or small objects. RS-232 interface provide speedy connection to computers and printers.
